

# SIMPLIFY YOUR CASH OPERATIONS

Never prepare a spreadsheet for cash orders again. **Intuitive Ordering** ensures the right denomination is in the right place at the right time, and eliminates the need for E-cashes and special runs. Gain access to virtual vault recommendations for FED ship-in and ship-out via our online portal.

## Cash Cycle Automation

Optimize efficiency with tailored forecasting utilizing AI technology.

## Reduce Idle Cash

Real-time monitoring to automatically determine the correct amounts of cash.

## Streamline Operations

Reduce FI operational workload to let your team focus on core competencies.

## Centralized Control

Clear visibility into Branch ATM and Recycler balances via client dashboards.
